## The New Magical Spoonerisms Lecture

Bill Spooner will be our featured lecturer on July 21, 2005 at the Executive Inn, at 7:30 P.M. in the Label room.

Since 1975 Bill Spooner has presented his special magic to clubs and conventions across America. This new lecture contains effects never before revealed. It includes the trick that fooled Dai Vernon at the Magic Castle and the effect that baffled the Duke University Neuroscientists at a recent invited lecture. A leading mentalist used a Magical Spoonerism on national TV. You will experience the effect.

This lecture contains material that anyone can do with little practice. Close-up and stage magic are both included.

The psychology is clearly explained where appropriate.

J. B. Bobo and John Braun were fooled by one trick in this lecture, and at least one will fool you. The other effects will be entertaining and provide useful ideas that you can use. Some of the effects are based on very old principles and others are modern technology dependent.

You will be the first to see the new lecture.

### Coming in September ...

**"Magic under the Stars"  
Iroquois Ampitheater  
Friday, Sept. 16, 2005**

## ENTERTAINERS NEEDED:

The September 16, 2005 show at the Iroquois Amphitheater will be the LMC's biggest event of the year. It is very important that we promote this show in every way possible.

We have been given an opportunity to get some free promotions during the upcoming shows that precede the LMC show. If we can get some walk around performers for the 30 to 45 minutes prior to the shows Suessical and Jesus Christ Superstar, the amphitheater management will give us a plug at each show we perform.

### Here's the info:

**July 7-10:** Seussical-by Floyd Central High School, Produced by Music Theater of Louisville

**August 5-7 & 10-14:** Jesus Christ Superstar, Produced by Music Theater of Louisville.

**Location: Iroquois Ampitheater**

**Time: Gates open at 7:15 PM**

**Show starts at 7:55 PM**

Matt McKiernan (459-1681) and Frankie Foolya (288-7226) are coordinating the walk around magicians.

*Hopefully at least two performers or more could attend each showing, once inside the theater, the performer would be allowed to stay and watch the show.*

Amphitheater Contacts: Peter holloway, (589-4061) and Tobbi Roberts, If necessary these names can be used at gate for entry.

**MEN OF MYSTERY SHOW...  
A BIG HIT!**

The Men of Mystery show has been held over through July. Despite the fact that it was not conceived as a children's show, many adults have brought their children and consider it good, clean, fun. We have therefore changed the pricing to make it more family friendly. Adults \$12.50 and students \$8.00. The Men of Mystery show is a real treat for anyone interested in magic, mentalism, comedy and just plain fun. The food at Oscar Brown's is also great. The show is Every Thursday night at 8:00 PM!

**MAGICIANS WANTED!**

It's another busy summer season and Frankie Foolya needs YOU! Frankie is in charge of "Public Relations" for the magic club and stays abreast of events needing magicians. He also performs himself for many local and state events and is interesting in helping get several other performers to work with him. You can contact Frankie at (812) 288-7226!

I'm always referring my extra shows. If you are interested in getting referrals, send me a tape of your show and I'll keep you on file for the extras that come up.

In order for me to refer I have to see you perform. There are many club members whom I've never seen perform. --Michael Raymer

## From The Prez.

JERRY OLIVER

The Iroquois Amphitheater show (Lance Burton and Friends) is just around the corner. Most of the details have been finalized. David Garrard has been working with the Amphitheater on the contract and in lining up the entertainment. We now have two sponsors Eherler's Dairy and Republic Bank both will be helping with the expense of promoting the show.

Mike Raymer and Magic Graphics, Inc. has designed a beautiful souvenir poster and flyer to promote the event. With this all done we still have a lot of work that needs to be done. The posters and fliers need to be distributed to junior high and grade schools. We need to man the Amphitheaters box office several days to sell advance tickets. The day of the show we need close up performers, security for the front of the stage, spot light operators and back stage help.

At our next meeting we will have sign up sheets for each of these jobs or you can call me to sign up now. Your help will be greatly appreciated. All these jobs in addition to the performers are what will make this show a big success for LMC.

Darren Pearl and Matt McKiernan are coordinating close up performers to do 30-45 minutes of magic on several dates prior to shows (Suessical and Jesus Christ Superstar) at the Amphitheater. This alone will get us free promotion to those audiences about our show.

Our next meeting will be July 21, 2005 at the Executive Inn, featuring Bill Spooner, see elsewhere in this newsletter for details. I look forward to seeing you there.

Magically

Jerry

## A Note from the Editor ...

This years Crusade for Children show with Mac King, Lance Burton and Marty Polio was a great experience. It was very interesting to see some of the behind the scene activities that help to put on the show, and it was just great to see our old friends again. If it hadn't been for Mac King, I wouldn't have known about the Louisville Magic Club. Mac, at the time was working at the magic counter at Caufield's and the president of the club.

Then, when I joined the club I met Delbert Hillegas who was teaching printing at the Vocational School connected to my high school. Delbert talked em into attending his classes and is responsible for teaching me printing. At the meeting, I also found out that my orthodontist was a magician (Bob Escher) who knew!

I guess you could say that being a member of the LMC has made a dramatic effect on my life. I hope that our young members appreciate all that they have available to them at the LMC and will experience the joys that I have as a member.

Due to the demand for a roster, I am looking at the possibility of having it on the website as a password protected page and a printed version for those without internet access. If we can do that we'll issue the password in the bulletin or announce at a meeting.

I've received several emails *bounced back* to me as undeliverable. ***Please, keep me updated if you change your email address.***

Until next month.... Michael Raymer
