

Bring A Trick

October is the month people everywhere think of magic. National Magic Week is October 24-29 (Houdini died on Oct. 31.).

This months meeting will focus on close-up and parlor magic with a story.

All members are encouraged to bring an effect to perform before we break into our workshop groups.

If you have a trick and want to create an effect with a story or patter, bring it. The workshop groups will brainstorm and help with ideas to make them entertaining.

Tuesday, October 11 at 7:30 P.M.
Executive Inn, Dover/Dolphin Room
